

## SUMMER FUNWEEKS

On our football and multi-skills courses, football fanatics will have the chance to play the sport they love all day if they wish, while we have an option for children to play a variety of different sports and games such as Dodgeball, Cricket and Tennis. Anyone who wants to switch between the two and get the best of both worlds is welcome to as well! We will have our very popular Zorbs for them to bump around on, the children will have a chance to get wet with out 'Slip n Slide' games and have the chance to try Aeroball. Each day we make sure we always leave the children wanting to come back for more!
