

DISTRICT SPORTS

The sixty-first annual Wokingham & District Primary Schools Sports took place on Friday 1st July 2016 at Palmer Park Sports Stadium in Reading. This year there were seventeen schools in attendance, with over 510 participants present. The St Paul's squad took part in all of the events and produced some excellent individual and team performances. Once all the points from the events were totalled, St Paul's Girls were runners up; St Paul's Boys were champions; and St Paul's were awarded the Overall Champions Shield for an unprecedented sixteenth year running! Many congratulations to all involved – your hard work and dedication paid off!
