

Year 3 Homework
11th February – 25th February

Reading

Read aloud to an adult for 20 minutes at least 4 times every week. During your reading, make sure you have answered at least 3 questions from different sections of the [Reading Booklet](#). Then, discuss how you feel about what you have read. Ask the adult to write a comment in your Reading Journal.

Spelling

Remember the first week is learning and the second week is consolidation. Over the next week, we will be learning the 'other words' from the Statutory Spelling List in class (found below). Please test yourself on these words at home and check whether you have spelt each word correctly after you have written it. Stop testing yourself when you have spelt 10 words incorrectly. Learn how to spell 5 of these spellings in the first week and then learn how to spell the other 5 words during half term. What do these words mean? How can you use them in a sentence? Can you think of a way to remember how to spell them?

The Statutory Spelling List can be found [here](#)

Word of the Day

Share your class's word of the day with your family. Explain what it means and try to impress them by using it appropriately in conversation. Challenge them to find synonyms (words with a similar meaning).

Multiplication and Division Tables

Practise the multiplication and division table you are currently working on. Ask an adult to challenge you with lots of different questions so you are ready for your weekly test. The following links may be useful.

Topic

If you would like to extend yourself further, use google maps to find Wokingham. Which continent, country, county and town are we in? Which places can you find in Wokingham that would have a symbol on a printed map? Can you remember how to draw the symbol? Teach your parents what you know about symbols.
