

## Year 6 Homework

### 16<sup>th</sup> September – 23<sup>rd</sup> September

#### Reading

Cover your new Reading Journal. Write your name and class neatly on the front.

Read aloud to an adult for 20 minutes at least 4 times every week. During your reading, make sure you have answered at least 3 questions from different sections of the [Reading Booklet for Parents](#). Then, discuss how you feel about what you have read. Ask the adult to write a comment in your Reading Journal.

#### Spelling

Practise spelling the words from the Y5/6 Spelling List that you have identified having difficulty spelling.

The Statutory Spelling Lists can be found in the centre of your Reading Recrds.

#### Word of the Day

Share your class's word of the day with your family. Explain what it means and try to impress them by using it appropriately in conversation. Challenge them to find synonyms (words with a similar meaning).

#### Multiplication and Division Tables

Practise the multiplication and division table you are currently working on. Ask an adult to challenge you with lots of different questions so you are ready for your weekly test.

#### Geography

If you would like to extend yourself further, read and research the details of a specific river.
