Dear Parents,

Our class drop-ins last week were so successful, that the teachers are very excited about catching up with the children again, and will be available at the following times:

Date & time of call:

11:30 6B

Monday 13th July

If your child would like to share a piece of work that they have completed during lockdown or talk about something they are particularly proud of, please remind them to use the 'hands up' facility.

For safeguarding reasons, we will be recording each call and, by allowing your child to join, you are giving consent for school to record and store the video. Videos will be deleted after three months.

Parents and pupils must not record the call as it is only school that will have consent to do so.

A guide as to how your child can access the call for their class is attached and last week you were sent a **separate email** from our IT Technician with your child's username and password.

Should you experience technical difficulties, please contact Mrs Brook at **it_tech@stpauls.wokingham.sch.uk**.
