

## *Chess at St Paul's C of E Junior School*

Dear Families,

Chess Club has 10 sessions commencing

**Monday 26 September to Monday 12 December, 3.30-4.30pm**

The cost is £62.

Each child will receive a chess trophy at the end of term 😊

There is no session on 3 October or during half-term (26 October)

*Chess is fun! And we love teaching it!*

*Chess has been described as a wonderful educational tool which can strengthen a child's mind. Chess can enhance concentration as well as develop creativity, intuition, memory, and the ability to analyse, learning to make complex decisions and solve problems flexibly. It is worth noting that most leading mathematicians started to play chess from an early age.*

*Children learn how to play and how to improve. We organise an exciting chess tournament and award trophies at the end which children keep.*
