

Year 5 Homework

30th September – 7th October

Reading

Read aloud to an adult for 20 minutes at least 4 times every week. During your reading, make sure you have answered at least 3 questions from different sections of the [Reading Booklet](#). Then, discuss how you feel about what you have read. Ask the adult to write a comment in your Reading Journal.

Spelling

Remember, the first week is for learning and the second week is for consolidation of the spelling pattern you are working on.

This is week two of silent letters which means it's a consolidation week. Continue to keep an eye out for words with silent letters in the world around us. Look at signs in shops and places you visit, in books you are reading and other places to find words with this pattern. Some examples are; **climb, thistle, numb, solemn, column, government and knock.**

Discuss other words that have silent letters and make a list of examples that you have found in your reading. Remember to take your list of found words into school on Friday.

The Statutory Spelling List can be found [here](#)

Word of the Day

Share your class's word of the day with your family. Explain what it means and try to impress them by using it appropriately in conversation. Challenge them to find synonyms (words with a similar meaning).

Multiplication and Division Tables

Practise the multiplication and division table you are currently working on. Ask an adult to challenge you with lots of different questions so you are ready for your weekly test.

Topic

If you would like to extend yourself further, read and research about life and culture during the Anglo-Saxon period.
