

Year 5 Homework

1st April-21st April 2019

Reading

Read aloud to an adult for 20 minutes at least 4 times every week. During your reading, make sure you have answered at least 3 questions from different sections of the Reading Booklet. Then, discuss how you feel about what you have read. Ask the adult to write a comment in your Reading Journal.

Spelling

This week's spellings homework is to consolidate our learning on the use of the 'i' sound spelt 'ei' (usually after 'c') for example; **ceiling, weird, neither, weigh, neighbour, their, conceive, height**. Be on the lookout for words spelt in this way over the Easter break and bring in any examples you find to add to our Working Walls.

Discuss the meanings of these words and look out for them when reading. Remember to keep an eye out for words that follow this pattern and bring your list into school after Easter.

The Statutory Spelling List can be found [here](#)

Word of the Day

Share your class's word of the day with your family. Explain what it means and try to impress them by using it appropriately in conversation. Challenge them to find synonyms (words with a similar meaning).

Multiplication and Division Tables

Practise the multiplication and division table you are currently working on. Ask an adult to challenge you with lots of different questions so you are ready for your weekly test.

Topic

If you would like to extend yourself further, read and research about climate change as this will be one of our topics in the Summer term.
