6 December, 2017

Dear Parents

### **Year 6 Bridge Building Workshop - Monday 8<sup>th</sup> January 2018**

As part of our Design & Technology topic we have organised a 'Bridges Maths & Design Workshop' on Monday 8<sup>th</sup> January.

The workshop will explore the use of triangulation in building. Through instruction from the presenter and problem solving exercises, pupils will work individually and in groups using the skills they gain to build and design their own bridges. At the end of the session each group will explain how they made their bridge stand up.

Parents are invited to make a voluntary contribution of £3.65 per child. Whilst you are under no obligation, if insufficient funds are received we regret the activity may have to be cancelled. Payment can be made by cash, cheque or using our online payment system, and should be made by Monday 18<sup>th</sup> December 2017.

Kind regards,

Mrs H Wilson  
Year 6 Team Leader
