Dear Parents/Carers

Virtual Sports Week - 29th June to 3rd July 2020

As we are unable to run our usual Sports Day this year due to COVID-19, we have created our inaugural Virtual Sports Week which will run next week from Monday 29th June to Friday 3rd July.

All children are invited to participate whether they are at school or learning at home. There are ten challenges that have been created using no equipment so all children will be able to take part. The children will be able to choose how many challenges they wish to do and can complete the challenges as many times as they wish during the week.

Scores will need to be submitted by **3.00pm on Friday 3rd July**. Please click on the link below to submit your scores (if you have more than one child please submit a separate form for each child).

Every score will count towards the totals which will give us a winning House for each year group as well as an overall winner.

The children who are in school will have the opportunity of completing challenges during the school day but they can also do them at home if they prefer.

We hope the children enjoy completing the challenges and contributing towards their House totals.

Please see the attached sheet for full descriptions of the challenges.

Yours sincerely

C Foster
