

Year 3 Homework
4th February – 11th February

Reading

Read aloud to an adult for 20 minutes at least 4 times every week. During your reading, make sure you have answered at least 3 questions from different sections of the [Reading Booklet](#). Then, discuss how you feel about what you have read. Ask the adult to write a comment in your Reading Journal.

Spelling

Remember the first week is learning and the second week is consolidation. Explain what a suffix is to an adult. The suffix that we are learning about this week is 'ly'. Discuss words that contain this suffix and make a list of examples that you have found in your reading. Remember to take your list into school on Friday.

The Statutory Spelling List can be found [here](#)

Word of the Day

Share your class's word of the day with your family. Explain what it means and try to impress them by using it appropriately in conversation. Challenge them to find synonyms (words with a similar meaning).

Multiplication and Division Tables

Practise the multiplication and division table you are currently working on. Ask an adult to challenge you with lots of different questions so you are ready for your weekly test. The following links may be useful.

Topic

If you would like to extend yourself further, use google maps to find Wokingham. Which continent, country, county and town are we in? Can you find our school? Which road is our school on? How can you get to the town centre from our school? How many different routes can you find? Which one would be the quickest? Why?
