

## Year 4 Homework

### 12<sup>th</sup> November – 19<sup>th</sup> November

#### Reading

Read aloud to an adult for 20 minutes at least 4 times every week. During your reading, make sure you have answered at least 3 questions from different sections of the [Reading Information Booklet for Parents](#). Then, discuss how you feel about what you have read. Ask the adult to write a comment in your Reading Journal.

#### Spelling

This week, please focus on the words on your personal spelling list. These are the words you misspelled from the statutory spelling list below. Choose the next 10 spellings to practice and remember to bring a list of them in to school so that your talk partner knows which words to test you on.

The Statutory Spelling List can be found [here](#)

#### Word of the Day

Share your class's word of the day with your family. Explain what it means and try to impress them by using it appropriately in conversation. Challenge them to find synonyms (words with a similar meaning).

#### Multiplication and Division Tables

Practise the multiplication and division table you are currently working on. Ask an adult to challenge you with lots of different questions so you are ready for your weekly test.

#### Topic

If you would like to extend yourself further, read up on deforestation of the rainforests. Why are they being chopped down? What is the wood being used for? What is being planted in its place and why is this important?
