Calling all friends of West Oak

During this time of isolation to protect our vulnerable residents, we are unable to receive visits from loved ones, attend community events, or have external entertainment in the home.

Would you be interested in sending letters, photos, artwork to our residents in the meantime? A few lines about who you are, what you enjoy doing, pictures of family, what you do for a job would be very welcome. The contents of any letters would need to be positive, friendly, caring and exciting.

You would be surprised how welcome your messages would be to our residents, and the friends and family of those people would be very grateful. If you would like to get in touch with our Residents, or have any questions, you can do so via email on activities.westoak@barchester.com
