Parent Title Parent First Name Parent Last Name

Dear Parents

We can accommodate the 71 requests we received for Year 6 places from 15th June onwards, and the rise in requests for Keyworker School places, but we are now full.

We have alerted the local authority that we have now reached the total number of children that can be safely accommodated in school and that we are unable to offer any further spaces at this time.

Should the circumstances change, we will let you know.

Kind regards,

Mrs Taylor, Headteacher
