Children who are at school today will come home with their Home Learning pack.

For those families in self-isolation, once the 14 day period has elapsed you will be able to collect a pack from the year group box outside the main reception (Oxford Road entrance). Please do not ring the intercom as school will be run on a skeleton staff and reception may be unmanned. The pedestrian gate will be open from 8:50am-3:30pm Monday to Friday for the next two weeks.

Kind regards,
