Headteacher: Mrs J M Taylor

Dear Parents,

Year 5 Sex and Relationships Education (SRE)

Please find enclosed the leaflet '4YOU Growing up - what's it all about?'. You may wish to take this opportunity to discuss it with your child and find it a valuable talking point.

We have been looking at the life cycles of plants and animals, and after half term we will be teaching pupils about human reproduction and sexual relationships. For your information, we will be covering the following topics:

Week beginning 11 th June:	What's good about being a boy or girl.
Week beginning 18 th June:	What's good about family, physical differences between boys and girls. 'How did I get here?'
Week beginning 25 th June:	Changes during puberty.
Week beginning 2 nd July:	'How babies are made', 'How babies are born', baby development.
Week beginning 9 th July:	Pregnancy and looking after a baby.

There will be an opportunity for parents to watch the 'Sex and Relationship' video and look at the resources we use for this topic on Thursday 7th June at 3.45pm. We would appreciate it if you could make arrangements for the care of your children during this time, as we cannot accommodate them whilst you are with us.

Yours faithfully,
Year 5 Teaching Team
