Dear Parents/Carers,

We have had an overwhelming response to our requests for jars, thank you!

Having only anticipated receiving one or two, we had originally planned for the children to create a terrarium in groups of four and leave them in school. In light of the fantastic collection of jars and the enthusiasm of children in previous years, we would like to give the children the opportunity to make their own terrarium and bring it home this year.

The cost of resources to construct almost 100 terrariums is considerable, and whilst on this occasion we are able to subsidise the project, we ask that each child brings in £1.50 to enable them to make one of their own to bring home. Money should be sent in to your child's class teacher.

Many thanks,

Year 4 Team
