June 2019

Dear Parent/Guardian

Re: Year 5 Secondary School Experience Day - Science and Maths

We are looking forward to your daughter joining us at The Holt School for a Science and Maths day on Thursday 4th July. Please can you drop her off in the School Hall by 9.15 am and collect her from the same place promptly at 3.15 pm.

She will need to bring her pencil case and a packed lunch, including a drink. She may also want to bring a small snack to eat during morning break. Your daughter will be spending the day doing various activities and lessons in our science and maths departments.

Please complete the attached medical form and **return it to your daughter's primary school**. We will collect them from the school nearer the time. These will act as consent as well as give us contact details and medical information. If your daughter does not have a medical form she will not be able to attend.

Please note that there is no parking available on site, so we would recommend parking on the nearby Jubilee Avenue, and walking up to the school.

If you have any queries about the day, please telephone The Holt School.

Yours sincerely

Mrs Yvonne Smith
Assistant Headteacher
