

Year 3 - Stone Age Lesson

Sent By: Mrs Sarah Lander

Sent 04 Oct 2018 15:58

Dear Parent,

Year 3 will be having a lesson about stone age food around a fire in our forest area on the following dates:-

Monday 8th October - 3H and 3G

Wednesday 10th October - 3F

We will be going whatever the weather, so please ensure that your child brings in trainers, a water proof and warm clothes. The children will be learning about how stone age food is gathered so if there is any food, seeds or plants that your child cannot touch, please contact the school office on 0118 978 5219 by Monday.

Many thanks,

Mrs C Hamer

Year 3 Team Leader
