Dear Parent/Carer,

Please find attached important documents from Wokingham School Admissions regarding your child's application to secondary school.

- A letter informing parents of the need to apply and the dates required for application.
- A summary pack with process details and information that parents should be mindful of when applying. Included in this is information on how parents may access School Admissions' Parents Guides online.

All parents are being asked to apply online, otherwise they will not receive their result on offer day, it will be later that day by email or the next day via post. If you are unable to access a device for applying online, please contact the school office on 0118 978 5219 or School Admissions on 0118 974 6000/schooladmissions@wokingham.gov.uk. If you are unable to access the online Parents' Guide and require a paper copy please contact School Admissions and they will arrange for a copy to be sent to you. Please only request a paper copy if you cannot access it online.

Kind regards,

St Paul's Admin
