# Year 5 Homework 4<sup>th</sup> February - 11<sup>th</sup> February 2019

# Reading

Read aloud to an adult for 20 minutes at least 4 times every week. During your reading, make sure you have answered at least 3 questions from different sections of the Reading Booklet. Then, discuss how you feel about what you have read. Ask the adult to write a comment in your Reading Journal.

#### Spelling

This week's spellings homework is to develop and practise strategies for learning words from the statutory spelling lists which contain unstressed vowels. This week's words are: accommodate, bruise, category, cemetery, definite, desperate, dictionary, embarrass.

Discuss the meanings of these words and look out for them when reading. Remember to take your list into school on Friday.

The Statutory Spelling List can be found here

#### Word of the Day

Share your class's word of the day with your family. Explain what it means and try to impress them by using it appropriately in conversation. Challenge them to find synonyms (words with a similar meaning).

## Multiplication and Division Tables

Practise the multiplication and division table you are currently working on. Ask an adult to challenge you with lots of different questions so you are ready for your weekly test.

In maths this week, we will continue learning how to find equivalent fractions, converting between improper fractions and mixed numbers and comparing fractions smaller than 1 whole.

# **Topic**

If you would like to extend yourself further, read and research about The Ancient Greeks. Could you make a poster, write a non-chronological report or write a poem?
