Dear Parents and Carers of children at St Paul's Junior School,

I am writing to you to politely request that the parents and carers of children at St Paul's Junior School refrain from parking in the staff car park of Walter Infant School and Nursery, with immediate effect.

Over the last three weeks staff of Walter Infant School have been blocked in the car park, unable to leave at the end of their school day at 5:30 pm.

Some staff have been prevented from entering the carpark at the start of the day by parents (on one occasion on their phone) parked in the space between the school gates.

One parent and child have been using our car park to park their bikes and almost hit a member of staff's car.

Children have been seen running unaccompanied in the car park; this is particularly worrying as the nights draw in.

Many parents park their cars in our car park when they are collecting their children from clubs, especially Energy Kidz and some have been quite disrespectful to our staff which does not reflect the values of our school.

We will be fitting electric gates for our car park in the very near future.

Yours sincerely

Judy Wheeler
Headteacher
