

Year 3 Homework
16th December - 6th January

Reading

Read aloud to an adult for 20 minutes at least 4 times every week. During your reading, make sure you have answered at least 3 questions from different sections of the [Reading Booklet](#). Then, discuss how you feel about what you have read. Ask the adult to write a comment in your Reading Journal.

Spelling

This week, we will be learning the words' from the Statutory Spelling List (found below). Please test yourself on the first 10 words at home and learn any that you cannot yet spell. Discuss the meaning of these words. If you are confident with spelling the first 10 words, learn and discuss the meaning of the next 10 words. Can you find them in your reading book? If so, discuss why the author chose to use that word.

You will be tested on the first 10 spelling words after the Christmas holidays.
The Statutory Spelling List can be found [here](#)

Word of the Day

Share your class's word of the day with your family. Explain what it means and try to impress them by using it appropriately in conversation. Challenge them to find synonyms (words with a similar meaning). Last week's words of the day week were: courageous, serenely, scintillating and clandestine.

Multiplication and Division Tables

Practise the multiplication and division table you are currently working on. Ask an adult to challenge you with lots of different questions so you are ready for your weekly test. The following links may be useful.

multiplication.com

Over the holidays, it would extremely beneficial for you to practise telling the time as this is the topic we have been looking at recently and will revisit later in the school year.

The next topic we will be covering in Maths will be multiplication and division.

History and Geography

If you would like to extend yourself further, look at the Blue Plaque Trail leaflet, on the link below, and read about the history of some of the buildings in Wokingham.

https://www.wokinghamsociety.org.uk/Blue_Plaque_Trail_Leaflet.pdf

Can you find the roads that these buildings are located on using the OS map, on the link below?

<https://osmaps.ordnancesurvey.co.uk/>
