

Chess at St. Pauls C of E Primary School – Autumn Term 2021

Dear Parent,

Chess club commences this September on a Monday at 3.30pm - The cost is £58. Each child will receive a chess trophy at the end of term. New 'beginner players' will also receive a starter booklet to help assist them.

Alec and his staff work at various schools teaching and coaching chess. The syllabus covers Bronze, Silver and Gold. Alec also runs a large junior club. Three of his juniors are in the current England team. Please visit www.camberleyjuniorchessclub.co.uk

Chess has been described as a wonderful educational tool which can strengthen a child's mind. Chess can enhance concentration and develop creativity, intuition, memory, and the ability to analyse, make complex decisions and solve problems flexibly. Chess is exciting and fun to play. It is a fact that most leading mathematicians started to play chess from an early age
